PARENT NIGHT

The JCN Elementary/Middle School (K-8) will be hosting Parent Night on Monday, August 31st. Each grade level will be presenting the same information twice so you are able to attend either of their sessions. We have staggered the grade levels in hopes that you will be able to see every one of your children’s teachers. The chart below identifies the times each grade level will be presenting. There may be a thirty-minute “intermission” for some of you but most should be able to go directly from one classroom to the next and be here only about an hour.

Teachers will be sharing information with parents regarding grade level standards/curriculum, classroom expectations, field trips, schedules, and more! You will be able to sign-up for electronic news letters. Each teacher will give an overview of your child’s classroom or day. Grades K-6, please meet for your session in your child’s classroom, 7th and 8th grade will meet in the math room.

Since these sessions will be limited to adults only we will have childcare available in the multi-purpose/lunch room for preschoolers. The staff and I greatly appreciate parental involvement. We look forward to sharing this important information with you. Several high school students will be providing the childcare as part of their community service program.

As always, don’t hesitate to call with questions at 913-886-3870!
